

PE Newsletter

Term 4 2026

Prep and Year 1/2 students will be participating in water safety and awareness at the Gracemere pool as part of the Department of Education's curriculum.

Prep students will continue to develop a range of fundamental movement skills while demonstrating personal and social skills when working with others while participating in team cooperative game situations.

Year 1/2 students will demonstrate their prior learnt fundamental, locomotion movement skills including running, throwing, kicking, striking and bouncing balls with correct technique and implement these basic skills in cooperative team game situations.

Year 3/4 students will perform specialised movement skills (Throwing, Catching, Dodging) while demonstrating teamwork, decision-making and understanding of fair play in the game of Dodgeball.

Year 4/5/6 students will develop specialised tennis skills such as rallying, forehand and backhand strokes, while learning to apply these skills in a variety of game situations. With a further focus on cooperative play, sportsmanship and positivity, students will communicate and support each other towards a shared goal.
