

THE

In Semester 1

Preps will explore ideas about representing stories and experiences through collage and mixed media.

Year 1/2 will explore the representation of emotions in portraiture through experimentation with a range of materials and processes.

Year 3/4 will explore artists' use of patterns and surfaces from their surroundings in the artworks they make.

Year 5/6 will explore artworks that inspire the making of a mixed media sculpture that expresses a personal view about a social issue and communicates meaning through display.
