Term 1, 2025

P-2: Bring your own Sunshine.

In this unit, students will identify daily and seasonal changes in the environment and describe how these changes affect everyday life.

3/4: Our Changing Worlds.

In this unit, students will explain how natural events cause rapid changes to Earth's surface. They will investigate the erosion process, record observations, compare predictions with their observations and explain their findings.

4/5, 5/6: Natural Disasters.

In this unit, students will explain how natural events cause rapid changes to Earth's surface and identify historical and cultural contributions that help minimise the impact of natural disasters.

-structure of the Earth, cyclones, bushfires, droughts.
