

TERM 4 YEAR 1/2 NEWSLETTER

ENGLISH-POETRY

Students will be learning to read, view and respond to poetry. They will be learning to identify rhyme and alliteration. Year 2 students will share their ideas, identify and replicate language features when responding to poetry.

Reading is a priority for all QLD schools. 1/2 classes will continue with daily reading this term. Students work with a range of staff to support them during this time. Please remember it is very important to be reading with your child at home when possible.

MATHEMATICS

.....

Students will be learning to identify and create patterns, as well as partition and order numbers. Year 1 students will focus on numbers up to at least 120 and Year 2 will focus on numbers up to at least 1000.

HEALTH + RESPECT

Students will be examining messages related to health decisions and describe how to keep themselves and others healthy, safe and physically active. Students will learn to speak up about body safety and practise ways to stay safe and ask for help.

DESIGN & TECH - SPIN IT!

Students will design and create a toy that is fun to play with. They will explain different features through descriptions and annotated drawings.

CONTACT INFO

Class Dojo is a great way to stay in touch, otherwise feel free to email.
